OPTIONAL TOUR

DISCOVERY OF THE CITY OF FUNCHAL

Minimum 4 /Maximum 100 people

Discover the hidden charms of the city strolling along the narrow streets downtown, the Cathedral, the City Hall and the charming market, where ladies dressed in typical costumes sell the exotic flowers produced on the island. Next stop is at the lace factory where one of the most famous handicraft in the world is made. Now we're going to appreciate the beauty of Madeira by taking the cable car to Monte. For the more adventurous of the group, we suggest descending on the legendary toboggan. Back in the city center we're going to indulge ourselves with a exquisite wine tasting at the notorious "Madeira Wine Company.

City tour € 55,00 per person

Half Day: 09h00/13h00 and 14h30/18h00

Including: Transportation with air conditioning and English speaking guide, cable car, toboggan and visit with taste Madeira Wine Company.

OPTIONAL TOUR

EST TOUR – SANTANA

Minimum 4 /Maximum 150 people

Driving up the mountain we reach Poiso and 'Pico do Arieiro', the second highest mountain from the island (1810m). Ribeiro Frio will be the next stop. In the heart of the 'Laurissilva' forest, a gorgeous garden surrounds the trout hatchery. From here you will have the opportunity to make a short walk to "Balcões" (1h30 walk) to enjoy the magnificent views over the deep valleys surrounded by steep mountains. At the end group will have the opportunity to taste a typical drink «Poncha».

Finally we arrive at Santana, probably the most typical village on the island, where still today some of the peculiar thatching roof houses can be found. Stop for Lunch. Return to Funchal passing by the Faial and Porto Da Cruz to admire one of the most beautiful landscapes of Madeira dominated by a great rocky rise - Penha D'Águia, a true whim of nature. Return to hotel.

Full day tour Per person € 50,00
(including lunch with drinks)
Including: Transportation with air conditioning and English speaking guide

The World of Blue - Whale & Dolphin Watching

Maximum 50 people

This is a unique opportunity to be both out in the open water and to get very close to sea life. The boat sits low on the water (inflatable boat) so guests will be close enough to touch the dolphins swimming all around.
A marine biologist accompanies the group and provides interesting stories about the animals and their ocean habitat. Lookouts are strategically placed on mountains overlooking the sea and direct the captain to dolphin and whale locations for optimal viewing experiences.
What an unforgettable experience!

Each trip 2h30 m: 09h00 /12h30 and 16h00

Around 3 hours - Per person € 49,50

OPTIONAL TOUR

Catamaran sailing trip

Maximum 200 people

Embark and sail along the south west coast to Cabo Girão, the highest sea cliff from Europe (580 m). During the trip a cocktail will be served.

Guests will enjoy the beauty of the Madeira coastline aboard a modern and comfortable catamaran.

There is a strong possibility of watching the many forms of Madeira sea life, such as Dolphins, whales and turtles at close range,

Half Day: 10h30/13h30 and 15h00/18h00
