

[Abreu Events Portugal COVID-19 Guidelines](#)

Portugal's Tourism Board (Turismo de Portugal) created the "Clean & Safe program - Establishment Complying with Health Measures". Clean & Safe program intends to identify and certify that hotels, restaurants, venues, shops and touristic activities in general, are complying with the implemented health measures for the prevention and control of COVID-19 and other possible infections. Portugal was the first country in Europe to get the "Safe Travels" badge, recognizing our commitment with providing safety to all travelers, all entities certified with the Clean & Safe stamp are recognized as **Safe Travels Companies**.

Abreu Events Portugal has a Clean & Safe certification, guaranteeing that we are complying with all health safety measures and recommendations from the Portuguese Health Authority. For more information, please scan the QR code below.

The following resume reflects the official and effective contingency plans, which are subject to further update as the situations develop locally and globally.

- o **Airport** - All Portuguese airports are opened and operating to date, reinforced protection and hygiene measures, creating a safer experience for the passengers. Ensured contactless solutions such as, revised layout of boarding gate for self-boarding by passengers; sanitizing equipment with sensors and parameter-setting of elevators to avoid hand-contact and prophylactic isolation room.
- o **Transportation** – Reduced to 50% of its capacity, mandatory use of masks for drivers, staff and clients inside the vehicles.

Type of Vehicle	Vehicle maximum capacity	Actual vehicle capacity
Sedan	3 pax	1 pax
Vans	Vans 7 pax	3 pax
Mini-bus	Mini-bus 19 pax	10 pax
Bus	Bus 49 pax	32 pax

- o **Restaurants** - Tables setup to guarantee a distance of at least 2 meters between separate people's table parties, for which it is allowed a maximum of 6 people per table indoors and maximum of 10 people per table outdoors. Establishments can stay opened until 22:30.
- o **Hotels** – Majority of the hotels have acquired a "Clean & Safe" stamp, which means the Hotel complies with all hygiene and health cleaning requirements to prevent COVID-19 and other possible infections, ruled by a contingency plan protocol and subject to regular audits by an official authorized independent organization.
- o **Monuments & Museums** - Maximum capacity of the exhibition areas (5 people/100 m2), social distance of 2 meters, and if possible, one-way routes are privileged. Mandatory use of mask for staff and visitors. The maximum number of people for Group visits is defined by each monument, but in general it is being considered groups 10 people maximum.
- o **Venues, Activities and Other Services** – Venues have been limited to 50% of their capacity to ensure all health safety procedures and social distancing. Catering services can only provide individual plated services menus. Entertainment and Group Activities can be operated if complying with the health and safety protocol, keeping the social distancing of 2 meters whenever possible.
- o **Golf Courses** – Guests should maintain social distancing of 2 meters and tee time reservation is mandatory.
